“At Keefe, I discovered what I’m capable of and left prepared for my future.”
Jessica Zanchi, Class of 2026

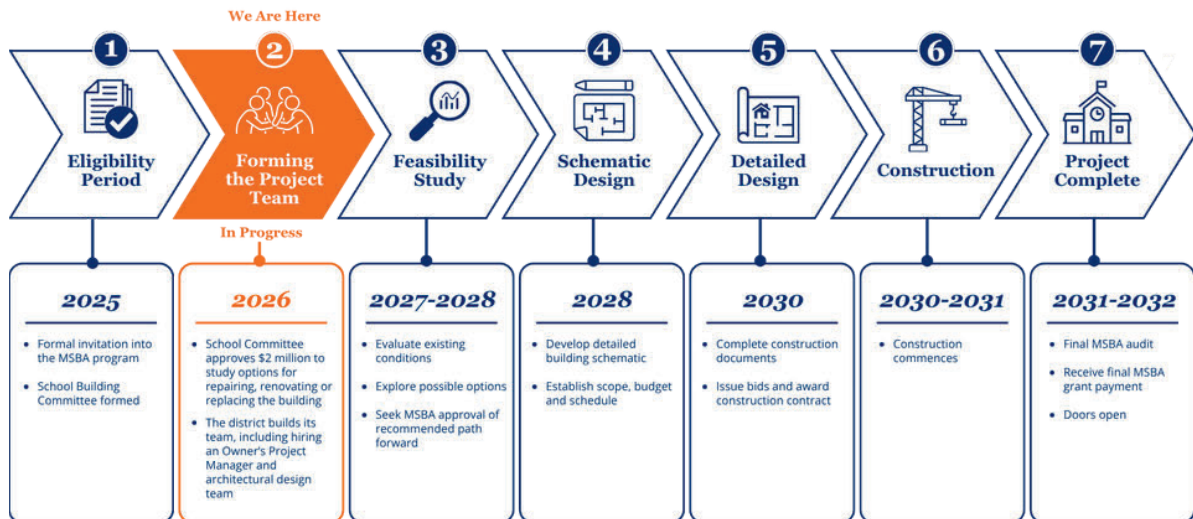

Since 1972, Keefe Tech has prepared generations of students for success. The district is now working with the Massachusetts School Building Authority (MSBA) to **evaluate future facility needs and access state funding** that can significantly offset eligible project costs.

WHY NOW?

- ✓ 50-year-old building
- ✓ Rising maintenance costs
- ✓ Modern workforce needs
- ✓ Opportunity to offset project costs

Keefe at Night is now offering 5 modules of the Massachusetts Journeyman Electrical Program

We will be offering the following modules:

Module 1- Through CTI funding for eligible participants. Please see page 9 of this catalog for more information.

Please see page 17 of this catalog for scheduling and costs for Module 2, Module 3, Module 4 and Module 5.

We are working to hire more Electrical Instructors in order to offer all modules so that students can finish their entire code and theory program at Keefe at Night.

All students must have the current edition of the NEC in class. All classes start promptly to ensure state policy compliance

Join our robust program. Keefe at Night has been successfully running all 5 Tiers for over 9 years.

Earn all 550 hours required for licensure.

Learn from instructors with over 75 years of combined industry experience.

Complete the program in 4 years.

Journeyman Plumbing Code and Theory

Keefe at Night offers all five tiers of the Massachusetts Journeyman Plumbing Code and Theory Program.

Our 4-year Tier Program fulfills the required Tier Code & Theory portion of training for students wishing to become Massachusetts Journeyman Plumbers. Each Tier covers the state requirements for licensure.

Enrollment is open to non-licensed plumbing apprentices in Tier 1 ONLY. Students wanting to enroll in Tiers 2, 3, 4 & 5 must hold a current Massachusetts apprenticeship license and have successfully completed the previous tier.

With the exception of Tier 1 (see above), classes are open only to current apprentices licensed as a Massachusetts Plumbing Apprentice. Participants in the 5-Tier system are required to complete 550 classroom hours (110 hours per Tier) and 6800 apprenticeship work hours (1700 hours per work year) to qualify to take the Journeyman Plumber Test.

We strongly recommend that all students visit The Board of Registration of Plumbers and Gas Fitters website at: <https://www.mass.gov/plumber-licensing> for information on Journeyman License requirements and processes.

A competitive 200-hour Tier 1 Tuition-Free Program is available for qualifying applicants. Please see page 11 for more information. The grant-funded Tier 1 program will be offered in September 2027.
